

If you are interested in the **brain** or brain research,
come join us at *BrainHack Global @ Toronto* to

learn about the brain,
code about the brain,
work with other beautiful brains,
challenge your brain,
and **contribute to research** for the brain.

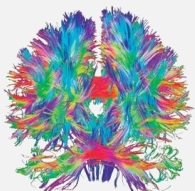

You can come with **ideas**, with **projects**,
or just with **curiosity**.

Mark your calendar!
Registration will open soon!

Get Ready for.. *BrainHack Global*

**Toronto, Dec 11-13
@ SickKids**
