

If you are interested in the **brain** or brain research,  
come join us at *BrainHack Global Toronto 2024* to

**learn** about the brain,  
**code** about the brain,  
**work with other** beautiful brains,  
**challenge** your brain,  
and **contribute to research** for the brain.

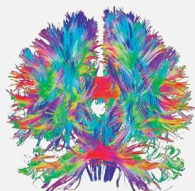

You can come with **ideas, projects,**  
or just your **curiosity**.

Mark your calendar!  
Registration will open soon.
